Dear Kosta,

Thank you for selecting the James Cancer Hospital and Solove Research Institute as the beneficiary of the ***Colon Cancer Golf Shoot Out Scramble*** to be held on ***May 19<sup>th</sup> at 3pm at the Granville Golf Course.*** Your group's dedication and desire to donate the proceeds from this event to the important colon cancer research, education and awareness being done at The James is outstanding.

Support from the community fundraisers such as yours provides vital funding that is allowing us to continue to improve the lives of cancer patients and is allowing us to reach our goal of turning cancer patients into survivors.

Again, we greatly value your kindness and your passionate efforts to help further the education, prevention and treatment of cancer at the OSU Comprehensive Cancer Center-Arthur G. James Cancer Hospital and Richard J. Solove Research Institute.

Sincerely,

Katie Brennan
